ABOUT ME

I am Senior Software Engineer at **Webonise Lab Pvt Ltd**. I am a dedicated, organized, and methodical individual. I have good interpersonal skills, am keen and very willing to learn and develop new skills. My primary skills are Ruby on Rails and ReactJS. I have skills in Java Spring, Hibernate, MongoDB and Blockchain technologies. I have also qualified **Graduation Aptitude Test of Engineering (GATE) CSE** examination in **2019**. I always open to learn new technologies and have worked on multiple projects of different stacks. I have worked on Jenkins, Heroku and Netlify for deployment purpose and have experience working with AWS cloud service. My portfolio and github links are follows https://mrankur.herokuapp.com , https://github.com/mr-ankur, https://github.com/ankur-11
